<b>GRAD</b>	GCONDS	GCONDT	Program Condition	
	GCONDS	GC10H	3.00 GPA for 10 hrs Grad	Must maintain a 3.0 GPA for the first 10 hours of graded graduate credit either in the first two semesters of enrollment or the first semester and first summer session of enrollment.
	GCONDS	GPRCRS	Prerequisite Course Summary	
	GCONDS	GCMBL1	Complete Linear Algebra	You must take Linear Algebra, either prior to the start of the program or during your first semester on campus, and earn a grade of B or higher. Electing to take this course during your first semester rather than prior to the start of classes will prevent you from registering for engineering classes your first semester, thereby possibly extending your graduation date. Alternatively, if you elect to take it from an accredited institution prior to the start of the MBLE program (recommended), please submit evidence of completion to Amy Shaw via email at shaw.229@osu.edu.
	GCONDS	GCMBL3	Complete Statistics	You must take Statistics, either prior to the start of the program or during your first semester on campus, and earn a grade of B or higher. Electing to take this course during your first semester rather than prior to the start of classes will prevent you from registering for engineering classes your first semester, thereby possibly extending your graduation date. Alternatively, if you elect to take it from an accredited institution prior to the start of the MBLE program (recommended), please submit evidence of completion to Amy Shaw via email at shaw.229@osu.edu.
	GCONDS	GCMACC	Accounting Course(s)	These courses must be completed with a grade of B or better and are in addition to the minimum MACC degree requirements. These courses will not count toward completion of the MACC degree.
	GCONDS	GCSWRQ	Social Work Condition	This admittance is conditional upon your passing your final semester classes with the admission requirements (traditional program = 3.0 GPA maintained; ASAP program = social work core classes B or better and 3.0 GPA maintained).
	GCONDA	GCONAD	Program Condition	You must obtain the commitment of an advisor before starting the program. This process involves choosing potential advisors and having an advisor agree to accept you. Please contact enviro@osu.edu if you need assistance.
